Coronavirus (COVID-19) Response

Like most other restaurants and businesses, we have been closely monitoring the COVID-19 outbreak. The health and safety of our guests and employees is our number one priority which is why we are taking the following precautions:

- Increasing the frequency of cleaning and sanitizing all surfaces and high-touch areas in and around the restaurant.
- Reinforcing our operating procedures including not allowing employees who are ill to work.
- Reinforcing our strict health and wellness policies including frequent handwashing of our employees.
- **Suspending access to self-service food including our Taco Bar until further notice.**

Please remember we also provide carry-out and delivery options for those who do not want to dine with us in the restaurant. We are making it our priority to do everything we can to ensure the health and safety of our guests and employees. We will provide an update as news about COVID-19 progresses. Thank you for understanding and please stay safe and healthy!
