Coronavirus (COVID-19) Update

At noon on Tuesday March 17, 2020, Ganzo's Mexican Restaurant can no longer continue our dine-in operations due to Iowa's State of Public Health Disaster Emergency. We are, however, still open for carry-out and delivery orders.

At this time, we are implementing a curb-side ordering process, so our customers do not have to enter the restaurant to pick-up food. Upon arriving at Ganzo's to pick up your order, just give us a call and one of our employees will meet you at your car to process your order and deliver your food.

We are very grateful to all our customers and community members who have supported our family-owned business throughout the years, and those of you who continue to support us during this tough time.

Please remember to support all your local businesses. We will continue to update you as COVID-19 and legislation progresses.

Thank you, and please stay safe and healthy.
